

WOOD MACHINE TRAINING & CERTIFICATE OF COMPETENCE

WHAT IS WOOD MACHINE COMPETENCE?

Courses for individuals / businesses who wish to be proactive in ensuring personnel retain competency in the safe use of woodworking machinery

All courses are tailored to the requirements of the individual and/or business needs.

LEGAL REQUIREMENTS

Regulation 9, The Provision and Use of Work Equipment Regulations require every employer to ensure that all employees who use work equipment have received suitable and sufficient training and have demonstrated competence in their safe use.

Refresher training to be taken every 3 to 5 years to maintain personnel competency inline with current HSE guidance.
